Dear Sir,

This is late, according to the information I received. Please understand that I did not receive this notice until July 29, 2000. July 29 was on Saturday. I did not have an employer ID number. It took a week to finally receive one from the IRS. I hope you understand my delay in getting this to you as soon as I could.

Thank you,

Attached is a memorandum from the RNC which we received on July 26, 2000 that requires all state candidates to register with the IRS as political organizations. All state candidates and party committees must register; however, state candidate committees are excluded from the reporting requirements.

The attached IRS form 8871 must be filed with the IRS no later than Monday, July 31, 2000. You may obtain additional information on the IRS website at www.irs.gov.
